Installing e-form mobile apps

Each mobile user must be added through the web portal before they can log into the mobile app. You will receive an email with the mobile phone number and pin number created in the web portal. After installing the mobile app, enter this information and you will be connected to your account. vice.

For Android:

1. Click the Play Store icon on your device
2. Click the search icon and type "doForms"
3. Click "Install"
4. Open the doForms app
5. Select "Connect to Existing Account"
6. Select "Mobile Number/PIN "
7. Enter the Mobile Number/PIN provided above

For iOS:

1. Click the App Store icon on your device
2. Click the search icon and type "doForms"
3. Click "Install" (the cloud icon)
4. Open the doForms app
5. Select "Connect to Existing Account"
6. Select "Mobile Number/PIN "
7. Enter the Mobile Number/PIN provided above

Please contact your doForms group administrator if you have any questions
