

Fleetistics Wex Fuel Card

How can I manage my fuel account?

The Fleetistics Fuel Card offers an online portal for its customers to easily manage their accounts online. Once enrolled online, you can login any time to:

- Add or delete cards and drivers
- Access transactions as they post to your account
- Set limits online across fuel, service and merchandise for enforcement of purchasing policies
- Receive an email when a transaction falls outside your purchase guidelines

Customer Service representatives are also available 24/7 to help answer your questions.
