Geotab HOS Certificate "Geotab Drive" Solution

Geotab Inc. ("Geotab") is the manufacturer of the "approved GO device" and the MyGeotab web platform which, along with a connected "Android Device" and the "Geotab Drive" application, comprises an hours of service solution (the "Solution") as set forth in the "Geotab Drive System Operation Guide".

Subject to the terms set out in this certificate, Geotab certifies that the design of the Solution has been sufficiently tested to meet the requirements of § 395.15 of 49 CFR Part 395 under the conditions it will be used, as set forth in the "Geotab Drive System Operation Guide". It is the Carrier's responsibility to ensure the drivers are adequately trained regarding the proper operation of the device.
