Application

What are the limitations for emailing Geotab reports?

In order to preserve the quality of service when using Geotab there are a number of limitations applied to the number of emails which can be sent at a time, and the size of each individual message.

- Attachments cannot not exceed 10 MB
- The total data usage of emails per hour cannot exceed 500 MB
- The total number of emails sent in an hour per rule cannot exceed 500

Note: If an email limit is exceeded, any further emails will be disabled for 60 minutes.
